THIRD-PARTY TRADING ADVISOR CHECKLIST

As an unregulated business, foreign currency trading advisory is prone to false advertising and misleading information. MB Trading Futures, Inc ("MBTF") cannot require a customer to do any "due diligence" on a third-party trading advisor ("Agent") prior to entering into an agreement with such Agent. However, MBTF encourages Customers to take such measures, and asks that Customers acknowledge that they have read and, at the minimum, considered taking the following recommended steps before entering into any agreement with an Agent.

- 1. Have the Agent provide you with a disclosure document that, at the minimum, provides: the Agent's biography, outlines the investment methodology, discloses the fees charged by the Agent, and discloses the risks associated with the investment methodology;
2. Check with the National Futures Association, National Association of Securities Dealer, or other investment-related regulatory bodies to ensure the Agent has never been denied registration, nor that he has any disciplinary history (please contact MBTF if you need assistance with such a background check);
3. Ask the Agent to provide you with references from existing clients.
4. Have your attorney or accountant verify the accuracy of any performance record provided to you by the Agent, and review any contractual agreement to be executed by and between you and the Agent.

The undersigned customer has the right to request from the undersigned Trading Agent statements on account status, and the undersigned Trading Agent is obligated to provide, upon the undersigned customer's request, such statements on account status using report features as provided by MB Trading Futures. I, the undersigned, represent and covenant that I have read and understand this "Third-Party Advisor Checklist":
